

LEXINGTON COMPREHENSIVE PLAN Transportation Panel Discussion

PLEASE JOIN US!
May 1, 2018

Leading into the development of the new Comprehensive Plan, the Town of Lexington would like to invite you to a series of educational panel discussions. These topic-based panels will cover transportation, housing, and economic development.

This panel discussion will focus on transportation. Panelists will include: Eric Bourassa, MAPC; Monica Tibbits-Nutt, 128 Business Council; Kate Fichter, MassDOT; and Julia Wallerice, ITDP.

Whether you walk, bike, drive or take public transportation, this is a topic area everyone can connect with. Please join us for a discussion that will focus on national and regional transportation trends and issues, and what impact they may have on Lexington looking forward.
